
First game v Hope valley!

Thought i'd start the forum off by finding out fellow Hound's views on the upcoming curtain raiser against Hope Valley.

Heccies and Hope Valley both looking like front runners for this years premiership, making this match even more crucial.

Personally im expecting a tight tussle for most the match but i expect us to be more skilled and defiantly more fit, should finish the game strongly

Tips on the match from everyone?

Tip is heccies by 20

Poor first up effort by the hounds with a big improvement needed by everyone this week against Lockleys. Lockleys will have a young side also but i don't think they will be able to match our height around the ground. Looking for a big 1st up win at home to get our season back on track.
