Australian Sports Foundation | Ivor Burge Program
The Ivor Burge Championship is for athletes with an intellectual disability as per the VIRTUS classification requirements. They are held in conjunction with the Australian Junior Championships(AJCS), seeing the National Champion crowned at the conclusion of the event. These inclusive events provide athletes the opportunity to represent their state or club on the national stage and give athletes the chance to experience a replication of the high-performance environment that Australian national teams experience when they compete internationally.
