

HECTORVILLE SPORTS & COMMUNITY CLUB - YOUR CLUB, YOUR FUTURE

December 2025

G'day Heccies Members,

I'm both honoured and excited to introduce myself as your new President of Hectorville Sports & Community Club. This is a club with incredible history, passionate members, and a bright future ahead – and I'm committed to working with you all to make it even stronger.

A Heartfelt Thank You

First up, I want to acknowledge and thank **Joe Rossi** for his outstanding service as outgoing President. Joe's dedication and leadership have been invaluable to our club, and we're grateful for everything he's contributed during his tenure.

I'd also like to recognise our outgoing board members for their hard work and commitment:

Patrick Ritchie, Sally Coleman, Bill Leo, Raegan Coleman, Jon Davis, Christian McCormack, Shane Illman and Joe Fedele

Your efforts haven't gone unnoticed, and the club is better for your involvement - thank you!

To our reappointed board members:

Justin Kahl as Vice President;

Ralph Tortorella as Treasurer and:

Phil Hallett as Secretary, welcome back. Your continued dedication means the world, and I'm looking forward to working alongside you this year!

Join Our Board - Expression of Interest

We're currently seeking passionate members to join our board and help shape the future of Hectorville Sports and Community Club. We have specific opportunities in the following areas:

- **Sports Director** - This is a critical new role that will act as the direct conduit between our five sports sections and the management board. If you're passionate about sport, understand the needs of our sections, and can bridge communication between grassroots and governance, this role is for you.
- **Legal/Governance** - to help navigate compliance and governance matters
- **Marketing & Communications** - to better connect with our members and community

If you've got skills in these areas (or know someone who does), we'd love to hear from you. Please register your interest by 31st January 2026 via philh@tripleb.net.au. Feel free to contact me directly if have any questions.

Getting Connected - Our Immediate Priorities

Over the coming weeks, I'll be meeting with all section heads to understand what's working, what needs attention, and how we can better support each part of our club. I'll also be engaging with Campbelltown City Council to ensure we're keeping communication open and honest with our biggest stakeholder.

Our Strategic Focus for the Next 12 Months

I want to be upfront with you about our priorities:

1. **Financial Sustainability** - We'll be implementing a fair and structured approach to debt recovery to ensure our club remains financially healthy. This isn't about being heavy-handed; it's about making sure Heccies is here for generations to come.
2. **Better Communication** - You deserve to know what's happening at your club. We're establishing clear, regular communication channels so you're always in the loop. Expect consistent updates, transparency, and opportunities to have your say.

Let's Build This Together

Hectorville Sports & Community Club belongs to all of us. I'm here to listen and to work alongside you to make this the best club it can be. If you've got ideas, concerns, or just want to have a chat about the club's direction, my door is always open.

For board EOI submissions or any questions, please contact Phil Hallett at philh@tripleb.net.au or me at paul@pgsconsulting.com.au or on 0409 465 127.

Cheers,
Paul Shaw
