

Hectorville Hurricanes Netball Club

Team Selection

Aged Teams

Teams will be selected by a panel of three people including the Junior Coordinator/s and at least one committee member.

The chairperson will determine who will be involved in the grading process each season.

Starting teams will be announced prior to the commencement of the season. We will continue to move players at our discretion within the first 5 games of the season.

HNC is a grassroots community club that is committed to the development both physically and mentally of our players. As such we believe it is in the best interest of our players to play within their age level with and against their peers. HNC will endeavor to place a strong team in as many age groups as possible.

Teams will be selected taking into account the following:

- Performance at trials
- Nominated positions
- Availability to attend training and games
- Ability / Skill Level / Fitness
- Team balance (all positions covered)

- Demonstrated sportsmanship
- Attendance at trainings and games within their team
- Coach / Coaches / Coordinators feedback on current players
- Commitment to the Hectorville Netball Club

Consideration may be given to reciprocal friendship requests at the time of registration if they are within the same age group. In cases where friendship requests are considered, players shall be graded on the ability of the lower division player and they will be placed in the lower division team. Only reciprocal friendship requests will be considered.

Teams will be structured with a minimum of 7 players and a maximum of 10 players to give maximum court time to each player. In exceptional circumstances 11 players will be allowed.

If a player cannot fully commit to training on the practice night/time determined by the coach and the club, then the player may be moved down into a team where they can train.

If a player withdraws their nomination after teams are announced no refund is given.

Seniors is an open competition. HNC allows players to nominate for the senior competition from 17 years (turning 18 within that year) and above. As such our teams will be a combination of players of all ages. If you wish to play with a team within the same age group then you need to nominate for the aged competition.

In cases where friendship requests are considered, players shall be graded on the ability of the lower division player and they will be placed in the appropriate lower division team. The HNC will consider a request for a player to play in opens (SAUCNA) / Seniors (EDNA) in the following circumstances:

- They qualify for the U17 age division or are placed in the U15A or B team
- They must firstly play for the HNC in the appropriate age division
- They are committed to the aged team they have been placed in and prioritise their aged team's training
- Places are available in the open/senior division (priority will be given to those players who qualify to play opens/seniors first)
- The player plays the position/s required
- The player always demonstrate good sportsmanship on and off the court
- The player is both mentally and physically strong enough to play above their age level
- They are committed to the Hectorville Netball Club

If a player meets all of the above criteria the parent can email the chairperson outlining how their child meets the criteria and the HNC committee will assess your request.
